You and your child are invited and **URGED** to attend!  
Prepare! Familiarize! Learn: New Policies,  
Meet Teachers, Review Curriculum.  
Don't miss this important night!

### From Room 7 ♥

Hello preschool family! June was loads of fun with many activities. With some of our preschoolers graduating and new children joining the school, we have been learning about change. This has helped to illustrate that the season has changed from spring to summer. We have had a lot of different sensory bins and science exploration this month, but our vacation themed week was by far the crowd favorite. Each day the littles and I would “fly” to a new country and learn a little about their culture. The littles favorite seemed to be when we traveled to Brazil and learned about the carnivals and made our very own carnival masks! Can’t wait to see what the rest of the summer holds for the littles and me! - Miss Carly

### From Room 1 ♥

We have been learning about summer and the different things we do in the summer. Going to the beach, going swimming, and eating ice-cream cones rank the highest on the lists. We have also been learning about different kinds of animals — safari animals, jungle animals, and even some that can be found in the snow. Our favorite activity in June was looking for magnet letters in the moon sand and seeing how many we could name. - Miss Jessye

### From Room 3 ♥

Well, we made it to graduation! The children did a wonderful job singing and learning the Bible verses. They all made me feel so proud! The thing that I love most about my job is teaching the children about Jesus, and those little guys really got the message over the past several months. I remember learning Bible verses at their age and I still remember them today. My hope is that each child develops a personal relationship with Jesus and that they will take all they have learned at Peace with them. Every child in my class has touched my heart; thank you so much for trusting in me. (FYI: I will be starting my 2-week vacation on July 29.) -Miss Ronette

### From Room 4 ♥

Thank you to everyone who came to our graduation ceremony! The students did an amazing job! We had a great year and we are looking forward to a great summer. - Miss Anna

*Pictured to the left are Natty and Emmaline enjoying picking the first carrots from our garden!*

*Every day for weeks after we planted the carrot seeds and they started to sprout, Natty asked me “Are the carrots ready yet?” I was so happy to allow him to pick the first one!*

*Waiting for the fruits of our labor is hard. –Miss Annette*

## From Director Annette Taylor

**Happy Summer!** Big thanks for your beach party participation, we had great weather, a great turnout and wonderful fellowship! Thank you for your attendance and contributions. Thank you to Anne Balgeman, from the church congregation, for going to the beach super early to save our tables. Thank you to Dave and Judy Aikins, also from the church congregation, for doing such an outstanding job of organizing everything and keeping it running smoothly. The support, kindness, and love we get from Peace Lutheran Church members is awesome!

We are looking forward to more warm weather and waterplay to happen throughout the summer. Please be sure your child has appropriate extra clothing in their cubby in case it's needed. (Our supply of extra underwear for emergencies is down to nothing. If you have extras to donate we would appreciate it!)

**PROPER FOOTWEAR** as taken directly from our Parent Handbook: **Tennis shoes** or other fully-closed shoes are best for school time. To ensure maximum safety on the playground, please do not allow your child to wear slip-on sandals, flip flops/thongs, jelly shoes/crocs, cowboy boots, or dress shoes with slick soles. Socks should be worn each day.

### Parent Tip of the Month: DON'T WORRY, BE HAPPY!

Think about how your child might describe you to their friends in the future. Will they say you were happy, fun, and kind, or will they say that you are stressed, grumpy and bossy?

Try changing your energy by simply smiling more. It will help you keep calmer in times of stress, and your kids will notice and keep their behavior more positive too. **Happiness is contagious!**

When you are tired and stressed try counting all your blessings and remember that Jesus loves you and can be your strength and give you courage and hope in your times of need. All you need to do is ask Him and lean on Him. "But those who hope in the LORD will renew their strength." Isaiah 40:31

Proverbs 15:13 **A happy heart makes the face cheerful**, but heartache crushes the spirit.

## Blessings to ALL our graduates!

### Proverbs 3:6

"In all thy ways acknowledge him, and he shall direct thy paths."
