From Room 7 ★

Hello preschool family! In July we enjoyed the good weather and our garden's harvest almost every day! The kiddos especially love having strawberries every day and sharing them with the big kids! Being able to learn first-hand about how plants grow has been an awesome experience for us.

We dove right into ocean life and have been learning about all the creatures God made! The children's favorite animal was the sea turtle, and they enjoyed painting one and hanging it on our wall.

I can't wait for the remainder of summer and the start of a wonderful new school year!

-Miss Carly

★ From Room 1

Room 1 kids had fun in July painting fireworks, building rocket ships outside, and learning about the ocean. We learned about animals in the ocean and about the plants that live in the ocean. We made an octopus with cheerios, played in the sand with seashells and driftwood, and sang one of our favorite songs, "Slippery Fish." We also read one of our favorite Bible stories "Jonah and the Big Fish." We have had so much fun with summer, and we're excited for the new school year!

-Miss Jessye

From Room 3 ★

Wow, summer is almost gone! I will be on vacation through the rest of the summer session and return for the first day of the new school year. I want to take this moment to thank you all for trusting me with your precious children. I truly enjoyed each and every one of them, and I will always cherish the time I got to spend with them. I will continue to pray for your children. I hope that they carry the knowledge of the Lord that they learned here with them throughout their lives. Once again, it was a pleasure working with your family.

Many Blessings, Miss Ronette

★ From Room 2

We are having a great summer in Room 2! The kids are so creative, crazy hat day was so much fun and such an excellent opportunity for them to use their creativity!

We are looking forward to the rest of summer! -Miss Anna

From Director Annette Taylor

August is a month full of transitions! The month will be filled with children and families coming and going, children moving to different classrooms; lots of exciting changes!

- If you are leaving us, thank you for allowing us to care for your child! We pray that it was a positive experience for your family!
- If you are staying with us, thank you for your continued confidence in us!
- If you are just starting with us or have recently started with us, welcome! We are glad to have you join us.

Our **Back to School Night** is a very important event for your family to attend. It is scheduled for 5:30 pm on Wednesday, August 14. There will be teachers to care for your child in the yard while parents meet in the sanctuary to hear **important policies and reminders**. After the short presentation, you will be able to take your child to their classroom to see their new environment and meet their new teacher. **Hope to see you all there!**

Great Fun! ★

Parent Tip of the Month:

THE VALUE IN ROUTINES & CONSISTENCY

With new changes in your child's life, it is important to remain consistent with evening routines and schedules. Having routines and consistency provides children with predictability, which leads to stability and a feeling of control.

Routines are helpful because they create their own guidelines and help to eliminate power struggles. Children with clear schedules for sleeping, eating, bathing, and other routines gain a sense of independence over the activities and consequently rebel less and become more compliant. The activities become **natural routines** and **expectations**. For example, if bath time consistently comes before TV viewing, there is no need for nagging or arguing when it's time to bathe.
